

# Foundations of Palliative Care 2023

## Announcement

We are pleased to present the Foundations of Palliative Care, an online introductory course that the team behind the internationally renowned Fellowship Program in Palliative Care offers. This course serves as a condensed version of the highly successful six-month Fellowship program and can be taken independently as an introductory course or as a primer before embarking on the Fellowship.

**Aim:** This comprehensive course addresses real-world challenges in establishing palliative care services, focusing on countries with limited resources. By employing a problem-solving methodology, participants will gain invaluable knowledge and practical skills for effectively coordinating and overseeing palliative care services and managing complexities associated with advanced diseases.

**Organisation:** The Foundations of Palliative Care course is a collaborative effort among four prestigious institutions in the field of palliative care: St Christopher's Hospice (United Kingdom), Institute of Palliative Medicine - WHO Collaborating Centre for Community Participation in Palliative Care and Long Term Care (India), Sanjeevan Palliative Care Program (India), and Bangabandhu Sheikh Mujib Medical University (Bangladesh).

**Level:** Introductory

**Target Group:** Healthcare professionals, administrators, and program managers who are keen on establishing or expanding palliative care services.

**Duration:** This comprehensive course spans 24 hours, spread over four days, ensuring an immersive learning experience.

**Dates:** The course is scheduled for June 19th and 20th (Monday and Tuesday) and July 3rd and 4th (Monday and Tuesday) in 2023. Each of the four days will consist of six hours of engaging online sessions, running from 7.30 am to 2.30 pm GMT.

**Method of Delivery:** The course will be conducted online, allowing participants to access sessions remotely, making it convenient for individuals with busy schedules.

**Medium:** The course will be delivered in English, ensuring a seamless learning experience for all participants.

**Course Fee:** To enroll in this exceptional program, participants are required to pay a nominal fee of US\$30 (INR 2400).

**Certification:** Upon completing the course, participants will receive a joint certification from the four partner organizations.
