Welcome to the 3rd State Conference of Palliative Care Nurses in Kerala, organized by the Institute of Palliative Medicine, Kozhikode.

This conference aims to empower and provide a platform for palliative care nurses to share their experiences and expertise.

Over the past two decades, palliative care nurses have demonstrated their commitment and aptitude through their vital roles in developing the highly-acclaimed community palliative care model in Kerala.

As the backbone of palliative care services, nurses must have access to opportunities to learn and advance their knowledge. With this aim, the 1st and 2nd State Conferences for Nurses Working in Palliative Care took place in 2016 and 2017, wherein more than 1000 nurses participated.

The 3rd State Conference for Nurses Working in Palliative Care will take place on **January 7th-8th, 2023**, at the **Institute of Management (IMG)** in Government, Government Medical College Campus, Palakottuvayal, Kozhikode.

This year's theme is **"Skills, Practices, and Challenges"**

Lead experts in the palliative care field will conduct different sessions. As a Continuing Nursing Education Program in Palliative Care, the 3rd conference will serve as an effective platform and enriching experience for all the nurses in attendance.

We welcome all nurses working in the palliative care field to register. The registration form can be downloaded online at:
